tire, but by the order of the board, and (2) That from the time the order was made and by reason or in consequence of the order the buildings became vathe rule in Akwai v. Ins. Co., M Haw. his week from Honolulu to Molokai fonso, J. Bohnenberg, D. B. Bowman, no order had been made by the board Point gaing in steamer time. She was T. A. Dranga, J. M. Hering, George to carry into effect its resolutions that

> "This contention cannot be sustained. The buildings were insured against Papaikou-2 to be elected: J. T. Moir loss by fire and they were lost by fire resulting from no cause excepted by Honomu-3 to be elected: E S. Capet- the policy. The value of an insured s. William Kellinul and J. K. Dillon. building at a time when an adjoining Laupahoehoe-3 to be elected; James building is burning may be so much that the fire will spread that no one will D. N. Kahue, Solomon Komeia and pay anything for it, and yet to hold that its insured value is correspondingly diminished or by reason of the imminent danger has ceased to exist would have the effect of frustrating the purpose of the insurance and of nullifying the value of the policy. In the meaning of the policy the intrinsic value of the buildings was insured. The exceptions relating to this portion of the de-

fense are not sustained. "The defendant's reminning exceptions rest upon its claim that the plain tiff did not show the value of the buildings at the time of their loss in 1900 by is evidence of their original cost in 1878 and 1879, their rental value and general description as to material, repair and condition. The evidence was sufficient in law, the case in this respect oming within the rule in Kwong Lee Yuen v. Manchester Ins. Co., ante. p.

"The exceptions are overruled. Castle & (Wthington and W. A. Whiting for plaintiffs, A. G. M. Robertson for defendant:
